Fight against money laundering and financing of terrorism

Dear Sir,

The French law, especially the Monetary and financier code - Book V - Title VI, chapter 1, sections from 2 to 7, imposes on insurance companies a duty of vigilance and reporting in the field of the fight against money laundering and financing of terrorism.

In accordance with the law and the recommendations of professional organizations, the companies member of these professional organizations commit themselves to verify that their partner insurance brokers certify themselves, by a written declaration, to fully respect the applicable fight against money laundering and financing of terrorism law.

We would ask you to please sign and return the following declaration to us

Yours faithfully
